Sumitomo Electric Industries, Ltd.

Sumitomo Electric Exhibits at 9th INT'L SMART GRID EXPO

Sumitomo Electric Industries, Ltd. will exhibit its products at the 9th INT'L SMART GRID EXPO, held in Tokyo, Japan from February 27 to March 1, 2019.

INT'L SMART GRID EXPO is Japan's largest international exhibition featuring various cutting-edge technologies and products related to smart grid and smart communities.

Sumitomo Electric will present its wide range of energy management solutions, such as a redox flow battery, for a new power and energy society. We look forward to seeing you at our booth.
